Over the next two years, the Department of State will be transitioning to the domestic State Assistance Management System (SAMS Domestic). This new system will replace GrantSolutions for all applicants and recipients working with the Department.

SYSTEM FEATURES

Grantee Dashboard

Recipients will have a personalized homepage with To Do lists, Upcoming Events, and Recently Viewed items

24/7 Support

24-hour support desk coverage every day of the week

Improved Notifications

Due-date notifications for upcoming and overdue tasks
Comprehensive Assistance Types

Process eight assistance types including:
- Grants
- Cooperative Agreements
- Fixed Amount Awards
- Grants to Individuals
- Voluntary Contributions
- Assessed Contributions

Data Migration

All funding opportunities, applications, awards, attached documents, and user accounts from GrantSolutions will be migrated to SAMS Domestic

User Feedback

Regular requests for feedback to help prioritize specific system enhancements

To-Do List

A queue of high priority tasks on the homepage will display upcoming due dates and overdue activities

Post-Award Monitoring & Closeout

Custom post-award and close-out checklists and reminders to facilitate process monitoring
